HELP YOUR CHILD BE SUCCESSFUL & WIN A NEW BICYCLE

Students with perfect attendance this six weeks will be eligible to win a shiny new bicycle. Drawings will be held at each grade level for both a boy's and girl's bike. To be eligible to win, a student must be neither absent nor tardy.

We realize that all doctor and dental appointments cannot be arranged after school. To accommodate for this scenario and allow your child to remain eligible, he/she must first report to school and then return the same day with documentation. Students with appointments prior to 10 a. m. may simply report to school after his/her appointment and present their documentation signed by the dentist or doctor.

Being present and on time everyday enhances your child's educational opportunities for success. On behalf of the faculty and staff, I want to thank you for your support and the opportunity to work with your child. Please call the office at (903) 803-5300 if you have any questions.

SIX FLAGS SIX HOUR READING CLUB

The Six Flags Six Hour Reading Club is an opportunity for your child to earn a free ticket to Six Flags. Reading for a total of six hours between now and February 24, 2010 qualifies your child for a free ticket. Participation is strictly **OPTIONAL**, but highly encouraged.

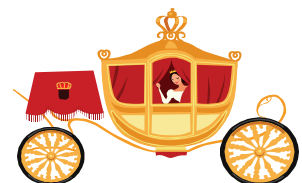

HAPPY READING!
