

Back by Popular Demand—the Quad 1 from the Longview ISD Foundation, Inc.

Fans of all sports have asked the Longview ISD Foundation to order the Quad 1, sold by the Foundation for the past three years.

What is the Quad 1? First, it's an attractive, waterproof Lobo green tote bag emblazoned with the "We Are the Lobo Nation" logo. Place it in your seat at any Lobo game, and it becomes a comfortable stadium or seat cushion. If you are cold, unzip the Quad 1, and it unfolds to become a long, fleece lined, waterproof blanket that will easily cover three to five people. Next, if it rains, turn the blanket over, unzip the small zipper and pull out the rain hood. Then unzip the long zipper and slip the Quad 1 over your head. Presto! You have a lined, waterproof rain poncho with a hood to keep you warm and dry! You don't need an umbrella. The best part is that the Quad 1 easily folds and zips up to become a tote bag again, and it's machine washable. The Quad is all the game gear a real Lobo fan needs!

The Quad 1 is the all-in-one essential Lobo game day item, and all for \$45.00. A fan couldn't purchase the four parts of the Quad 1 separately for that price!

Buy one for yourself; buy one for a Lobo fan. The Quad 1 will make a great gift this holiday season, one that a fan can really use for Lobo years to come. They are on sale at the LISD Athletic Office on Hawkins Parkway.
